Helpers

High Octane depends on volunteers to make this a great trial. We would thank you in advance for your help. Beverages and snacks will be available to all workers throughout the day.

Checking in

You do not need to check in unless you need to be measured. **All competitors in each class must check in at the gate** by checking off their name on the call sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

Day of Entries – We will accept any day of entries for \$17 per regular run and \$35 for the Masters Series. You must enter prior to 7:30 am. Please create a UKI account online at www.ukagilityinternational.com beforehand, bring your numbers (handler and dog) with you, and if possible bring your entry form already filled in with your classes. The entry form can be found on <https://k9trialservices.com> (follow the appropriate trial link)

Food Services:

Sorry, there will be no food available for purchase on site. Water and snacks will be available for workers.

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

Course Maps

To be environmentally conscious, High Octane Agility no longer prints exhibitor course copies. Instead all course maps are posted online at <https://k9trialservices.com> (follow the appropriate trial link). The course maps will be available online at 3AM the day of the trial. We believe this timing gives our exhibitors adequate time to print their own copies of the maps. We encourage our exhibitors to maintain the integrity and spirit of sportsmanship by not setting up and/or practicing any sequence of the course prior to arrival at the trial site. One copy of each map will also be posted at the trial site for

exhibitors to review. Please remember course maps are only an approximation and the course can be changed at the judge's discretion.

Trial Site Rules

- This event is being held on private property, please respect all areas and boundaries.
- There is no smoking anywhere on the property.
- Exhibitors with or without dogs are NOT allowed in the “barn aisle” by the horses.
- Speed Limit in the driveway is 5 MPH and this will be enforced. There are children and wild animals who also frequent the drive.
- Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement.
- There will a port o pottie for your use.
