COVID-19 Protocol and Waiver

You are required to re-read our COVID-19 protocol as there have been some updates. In addition, you will need to agree to our COVID Waiver. Each of you must agree to this waiver online in order to be permitted at the event.

Agreement to COVID Protocols – YOU MUST COMPLETE THIS IN ORDER TO BE PERMITTED AT THE EVENT <https://form.jotform.com/mebarry/kd-covid-waiver>

Updated COVID-19 Protocol - <http://www.kineticdog.com/Training/EventPolicies/COVIDProtocol.aspx>

COVID-19 Waiver - <http://www.kineticdog.com/Training/EventPolicies/COVIDWaiver>

Due to updates from the CDC, and exposure in the agility community, masks will be required at all times indoors, including while running.

Running Order

The running order is attached. This is only for the purpose of checking your entry. Running order for Masters Jumping will be determined by the results of Masters Agility. The final running order will be posted on the gate sheets.

Changing Handlers

If changing handlers, please let me know so that the results are correct.

Checking In

You will need to have your temperature checked before you are permitted to Set Up. Please see Mary Ellen Barry or Alaina Axford Moore upon arrival for this.

You do not need to check in at the gate due to COVID-19. While UKI does not require strict running order within your jump height, other than in Masters Series, KineticDog will be running dogs in order according to the gate sheet since this is a small, one-ring trial.

Measuring Dogs

Due to COVID-19, dogs DO NOT need to be measured

Building

The trial is being held in the green building (Flag Building). Please see the COVID-19 protocol (link above) for more information.

Parking/Crating

You may work out of your cars or bring a shade tent. There is NO crating indoors in either building. All parking is first come first served. Parking is in 2 areas; the first area is front of the red building, 3 rows will fit here. There is no parking in front of these 3 rows or in front of the sheep pens. You may also park to the side of the green building in the old outdoor ring.

Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill North on 100 and a Renda's and Dunkin Donuts South on 100.

Music will be played during walkthroughs and lightly during running of classes.

Food

There will not be a food vendor for lunch. Please bring your own. There will be no snacks or beverages provided due to COVID-19

Helpers

This is a one ring trial and helpers are not only appreciated, but are necessary to conduct a smooth running show. Please see us if you are able to help.

Course Maps and Real Time Results

We will not be providing Course Maps due to COVID-19. Course maps will be posted by 3am each morning online.

Dan Burke has created Real Time Results so that competitors may check their scores on their phones so as to maintain social distancing. Thank you Dan!

Course Maps and Real Time results will be available at <https://k9trialservices.com>

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points

Not for Competition Runs

You may turn any run into a NFC run, but **must declare this right before entering the ring**. You may use a **non audible toy** (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.

We will NOT be offering an NFC Food Reward Area.

Rules updated (text in blue) in the 6th edition Rule book and can be found on the UKI web page <https://ukagilityinternational.com/wp-content/uploads/2020/06/UKI-6th-Edition-Rules-May-2020-6.11.pdf>

Street Address for GPS/Google Maps: 45 Bella Vista Lane Barto, PA

Route 100 (Pottstown Pike) Closure Scheduled Next Weekend for Railroad Improvement in Pottstown Borough

King of Prussia, PA – Route 100 (Pottstown Pike) is scheduled to close between Shoemaker Road and Manatawny Street in Pottstown Borough, beginning at 9:00 PM Friday, November 9, through 6:00 AM Monday, November 12, for railroad improvements related to a \$13.3 million project to improve safety and traffic flow along key corridors in Pottstown Borough and Lower Pottsgrove Township, Montgomery County and North Coventry Township, Chester County, the Pennsylvania Department of Transportation (PennDOT) announced today.

During the 24-hour per day closure , Route 100 (Pottstown Pike) passenger vehicles will be detoured over Route 663 (King Street), Manatawny Street and State Street. Trucks will be directed to use Route 724 (Schuylkill Road), Hanover Street, Farmington Avenue, Wilson Street and State Street.

Motorists are advised to allow extra time when traveling near the work area because slowdowns will occur. The contractor's schedule is dependent on the weather.

- from Allentown, Harrisburg, Central New Jersey:

78 east or west to Allentown exit, Cedar Crest Blvd. South to Emmaus past hospital, at "T" turn right (Chestnut Street or Rt. 29 S) continue south on Rt.29 to Rt.100 South, continue to Hereford - 4 more miles to Bally. Middle of town is Longacre Electric (orange and blue sign) turn onto N. Church Street; go up hill approx. 1 mile. See pond on left side, turn left onto Bella Vista Lane. Continue on dirt drive until you see the agility fields.

- From Pa. Turnpike:

NE extension to Quakertown exit bear right onto Rt. 663 S. (heading to Pennsburg) In Pennsburg, at Wendy's Flowers, intersection of Rt. 29, turn right onto Rt. 29 N to town of Hereford (Turkey Hill convenience store and light). Turn left onto Rt.100 S to town of Bally (continue as above).

- From Philadelphia:

Rt. 422 or 73 to Rt. 100 N to town of Bally. At Longacre's Electric, turn left onto North Church Street. Go approx. 1 mile; on left you'll see a pond, turn left on Bella Vista Lane; follow till you see agility fields.
