Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age may be officially measured.

Building Opens, Check-in Time

All times are tentative and subject to change. Consult your final entry confirmation for any changes.

There will be absolutely NO competitor set up on Friday.

Saturday & Sunday: 7:15am - 7:45am. Judges briefings at 7:45am, judging to begin at 8am. Building will be open at 7:00am for competitor set up.

Express Check-in is available to all competitors that included a copy of their plastic permanent height card or a print out of the dog info page from subscriber account indicating that the dog is permanently carded with their entry form. At Express Check-In you must check yourself in and verify your Registration number. If you missed verifying it in your confirmation, this will be your final chance to do so.

A Dog that Measures Up at Check-in may run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may:-

- Run the dog at the higher height in the same program based upon the measurement
- Modify the entry to enroll the dog in the proper height class in the Performance Program
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes may be held at this Event as described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm. When held, these regulations and any amendments there to are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes may be held at this event. See tournament rules for the description, rules, and start and end dates for the current tournament season qualifying period. Rules for all tournaments may be downloaded on the Internet at <http://www.usdaa.com>. Highlights of the Tournament Regulations are included in a separate note under Class Descriptions. Qualifications in tournament classes count towards versatility titles and Lifetime Achievement Awards.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at [USDAA Rules & Regulations](#) including amendments.

Combined Relay Titling Class Offered at this Event

Relay classes at this event will be held as on a "Combined" basis for each program. Pursuant to USDAA's amendments taking effect April 2, 2020, a Group may offer a Pairs Relay class for titling class on a Combined basis, which is to be run on an Advanced level course and scored under Advanced level rules. The Qualification is valid for any level title. This is in lieu of separating the Relay class by levels, as previously required within a program and is in keeping with the purpose of the Relay class in promoting camaraderie in working a course with a partner.

To enter the Relay class, simply complete the form marking the appropriate Program, list a partner of choice, or by indicating on the entry form that the entry will be a "Draw" partner. All pairs entries without a partner listed shall be accepted as "Draw" entries and paired with someone entered in the class for the indicated Program from any level. All pairs within a Program will compete for overall awards.

When a second offering of the class (indicated "2nd run" on the Entry Form) is to be run on the same course, immediately following the first run, the pair runs with the same partner and each partner must run the opposite side of the course from the first run.

2022 Tournament Season Regulations

The tournament qualifying season for Cynosport® 2022 shall run from September 10, 2021 – September 30, 2022. Cynosport 2022 is scheduled for Scottsdale, Arizona, November 30 – December 4.

Eligibility for entry to Cynosport® 2022 will require that a competitor pre-qualify in at least one tournament. Entry to each tournament requires two qualifications to be earned at local and/or regional events during the qualifying season. A single wild card qualification (five qualifications in the core titling classes) may be substituted for one qualification in one tournament.

Local event qualifying criteria remains unchanged in all significant respects, and the 10" height division will remain as an available jump height for dogs measuring 12" or less.

Competitors may earn "Byes" into the Cynosport® 2022 Semifinals of the Grand Prix of Dog Agility® World Championships and the \$10,000 Dog Agility Steeplechase® by competing and meeting the Bye criteria in the final round at a Regional Championship during the 2022 tournament season. The number of regional championships and their locations will be announced on or before November 30, 2021. A Bye earns a competitor the right to bypass the Quarterfinal rounds in the Grand Prix of Dog Agility and the Dog Agility Steeplechase at Cynosport 2022. Competitors who previously earned Byes at a 2020 Regional Championship but did not compete in Cynosport 2021 may use that Bye in Cynosport 2022 for the tournament in which the Bye was earned.

The Dog Agility Masters® tournament shall continue to be offered on a combined program basis, with local event hosts offering the tournament in either the 2-dog or 3-dog format. All Regional Championships and Cynosport 2022 are planned to offer both formats, providing the opportunity for competitors to team up as 2-dog or 3-dog teams.

Qualifications in tournaments offered through USDAA@Home!SM events are for title qualification only and do not satisfy tournament eligibility requirements for entry to Cynosport®.

Final regulations for the 2022 tournament season will be available on or before September 1, 2021, and shall be posted to the USDAA website. Should events be preempted due to pandemic-related causes or other matters beyond our control, requirements are subject to change.

Entries & Acceptance

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

General Entry Conditions

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Mulligan Runs

Based upon the number of runs per day at this trial Mulligan Runs may be available for one or more classes each day. The Show Committee shall determine in which class(es) a Mulligan Run will be allowed. Availability and cost for each run shall be announced in final confirmations. Only competitors entered in the class are eligible for a Mulligan Run per USDAA policy which is hereby incorporated by reference.

A competitor must sign up and pay for their Mulligan Run immediately following their titling run (if they didn't sign up/pay for a Mulligan Run prior) and prior to the completion of the class. A Mulligan Run sign-up sheet will be made available. When Mulligans are running concurrently with another ring at an event, only silent toys are allowed and may not be tossed. Food, treats, training aids are not allowed.

Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.

Evolving COVID-19 & General Health Safety Measures

The health environment nationwide related to COVID-19 is continuing to evolve as cases appears to be on rapid decline in many parts of the country. With relaxation or rescinding of mask and social distancing mandates trending, competitors, show organizers, and guests are urged to remain respectful of individual choices and varied practices that may occur. USDAA recognizes that the biology for each person is different with respect to any illness and each may have preferences on what is necessary for them to return to open events.

Groups may set specific requirements for their events as they deem necessary to provide a safe and enjoyable event for competitors. Any stipulated requirements shall be set forth in a note in the test schedule for the event and should be posted at check-in for the event as a reminder. Competitors shall expect that a host Group shall enforce whatever rules they set in place pursuant to USDAA Disciplinary Rules published in USDAA rules & regulations.

Each person attending this event as an official, volunteer, or competitor shall be responsible for and assume liability for their own decisions regarding health risk, and each person shall be accountable for their actions relative to any procedures in effect:

- Maintaining social distancing (of both you and your dog) from others
- Wearing a mask or gloves
- Awareness of items that they touch and may have been touched by others
- Wash hands and/or use of hand sanitizers
- Enjoyment of food and refreshments, if provided

Please be accepting of changes from past practices as we seek enjoyment in a safe environment for all.

By all means, if you have been exposed to anyone that may have been exposed or infected with a virus or flu or any other contagious illness within two weeks prior to the event, or if you are feeling ill, please take responsibility and stay home and rest, knowing that we will happily welcome you at a future events.

Additional health and/or safety measures may required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this test schedule are subject to disciplinary action as described in Appendix C to USDAA Official Rules & Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.

Bitches In Season

Bitches In Season (BIS) will be permitted at this event.

Ill or exhausted and pregnant bitches cannot take part in the running of a class at the competition.

A protective ground mat **MUST BE USED** at the start line in every ring; each competitor with a BIS should provide a mat.

Outside the ring, BIS shall wear sanitary bitches at all times when moving about the grounds at the event other than in the potty area or at the practice jump.

Handlers shall minimize the exposure of their BIS to other dogs and limit their movement about the show grounds.

Handlers are required to notify the trial secretary as soon as they know they will be running a BIS at the event.
