### **COVID-19 Waiver and Procedures**

Current COVID-19 procedures and waiver are listed on page 3.

### **Helpers**

High Octane depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help.

### **Checking in**

You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. **All competitors in each class must check in at the gate** by checking off their name on the call sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

### **Rock Hunt**

As most of you know, Maureen and I lost Steel earlier this year after a 3 year battle with Epilepsy. We have chosen to remember him at this trial by having our niece Elena paint 10 rocks with what we call "Steel Lessons". We will hide these rocks around the trial site for you to find. If you find one, take a selfie with the rock (or just the rock), post it to our High Octane facebook group with the hashtag #steellessons, then return the rock to one of us and we will give you a \$10 Steel bucks coupon good for any High Octane event, seminar or class. Limit one coupon per exhibitor, so if you find more than one spread the joy and let a friend turn it in.

### **Food Services:**

Sorry, there will be no food provided on site. Please plan accordingly.

### **Vendor**

### Trial Site Rules

- POTTY AREA for humans will be indoors in the green (original) metal building. No dogs are allowed in the restrooms.
- POTTY AREA for the dogs is to the right side of the red metal building (where the fabric building used to be). Please do not let your dogs potty on or near the buildings, this includes the area between the buildings. There will be a \$10 fine assessed to anyone not using the designated potty area.
- Absolutely no competitors/dogs are allowed to the left side as you are coming up the long driveway.
- There is no exhibitor set up of any kind on Friday night.
- Orchard Hills is located on private property and is NOT open to the public outside of event hours. Waiting on the driveway or on Church Street prior to the facility opening is not allowed. The premises are closed 30 minutes after the last run or when the show committee leaves for the day and all competitors must exit by that time.
- Admission on the premises outside of stated hours is not permitted and is considered trespassing. If you need access to the property outside of stated hours due to extenuating circumstances, you will need to obtain permission of the show chairperson and/or the property owner. If you find yourself arriving early for the event, there is a Turkey Hill north on 100 and Redners and Dunkin Donuts south on 100.
- Dogs must remain on leash at all times except when competing in the ring or in the warm up area.
- No celebratory balloons are permitted on the premises. These have caused damage to the fans inside the buildings in the past.
