### **Payment**

Please be sure to pay KineticDog directly if you have not completed your payment for the trial. **DO NOT pay online.**

### **Classes Entered**

When you completed your online entry, you received an email from [webserver@ukagilityinternational.com](mailto:webserver@ukagilityinternational.com) with the subject line "Confirmation of entry for Kinetic Dog June 2021 show". This email contains the information on classes entered.

### **Mask Protocol**

#### Vaccinated Persons

- Exhibitors who are fully vaccinated and complete the online affirmation will receive a wrist band
- Those with a wrist band will be permitted indoors without a mask
- If you don't already have your wrist band, please wear your mask to check in and receive your wrist band.
- DO NOT pass your armband on to other individuals
- Guests of exhibitors are only permitted indoors if fully vaccinated and wearing a wrist band. Please have them complete the affirmation
- While indoors, you must either wear a mask or a wrist band

#### Non - Vaccinated Persons

- Masks are not required outdoors
- Masks are not required while running. You must enter and exit the ring with your mask on and you must keep it on your person while running
- Non Vaccinated guests of exhibitors are not permitted indoors

There are no medical, mental health, or other exceptions of any kind to this policy

You can fill out the online affirmation at <https://form.jotform.com/mebarr/kd-vaccine-affirmation>

**You do NOT need to complete the online affirmation if you filled it out for camps and workshops and already have your armband.**

## **Running Order**

The running order is attached. This is only for the purpose of checking your entry. Running order for Masters Jumping will be determined by the results of Masters Agility. The final running order will be posted on the gate sheets.

## **Changing Handlers**

If changing handlers, please let me know so that the results are correct.

## **Checking In**

While UKI does not require strict running order within your jump height, other than in Masters Series, KineticDog will be running dogs in order according to the gate sheet since this is a small, one-ring trial.

## **Measuring Dogs**

Measuring will take place near the check-in table prior to the first class each day. All dogs jumping below the 22 inch Regular height or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. **If you have an actual measurement from another organization (such as AKC/USDAA), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement**

## **Building**

The trial is being held in the green building (Flag Building). Please see the COVID-19 information for more information.

## **Parking/Crating**

You may work out of your cars or bring a shade tent. There is crating indoors in the red building. All parking is first come first served. Parking is in 2 areas; the first area is front of the red building, 3 rows will fit here. There is no parking in front of these 3 rows or in front of the sheep pens. You may also park to the side of the green building in the old outdoor ring.

## **Site Information**

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill North on 100 and a Renda's and Dunkin Donuts South on 100.

Music will be played during walkthroughs and lightly during running of classes.

## **Food**

There will not be a food vendor for lunch. Please bring your own.

## **Helpers**

This is a one ring trial and helpers are not only appreciated, but are necessary to conduct a smooth running show. Please see us if you are able to help.

## **Course Maps and Real Time Results**

We will not be providing Course Maps. Course maps will be posted each morning online.

Dan Burke has created Real Time Results so that competitors may check their scores on their phones Thank you Dan!

Course Maps and Real Time results will be available at <https://k9trialservices.com>

## Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points

## Not for Competition Runs

You may turn any run into a NFC run, but **must declare this right before entering the ring**. You may use a **non audible toy** (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.

We will NOT be offering an NFC Food Reward Area.
