**Day of Show entries are NOT being accepted**

Trial Site closes 30 minutes after the last dog has run each day.

We have approximately 260 runs on Saturday with 12 course builds and approximately 200 runs on Sunday with 10 course builds. We are asking all exhibitors to be timely moving into the ring when the gate steward asks. If we can save 30 seconds getting into the ring and starting our runs, we can save over 2 hours!!!

### **Helpers**

High Octane depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help.

### **Checking in**

You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. **All competitors in each class must check for each class entered.** Strict running order will be followed for the Masters Series classes. We appreciate competitors being ready to run in other classes in the order listed on agility gate.

### **Food Services:**

Sorry, there will be no food provided on site. Please plan accordingly.

### **Running Order, Course Maps & Class Results**

A preliminary running order will be posted online by Friday afternoon at <https://k9trialservices.com>. Please note, this is for information purposes only and may change without notice.

Paper course copies will not be available on site. The course maps will be posted online each morning 3 hours prior to trial site opening, except Masters Series which will be posted when site opens. The website is <https://k9trialservices.com> (follow the link for the appropriate trial). We will not be printing results; we will be utilizing "real time results" for this trial. You will be able to access the results on <http://k9trialservices.com>

### **Online Results**

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

### Changing Handlers

Competitors are required to inform the trial secretary of any handler change. Please

do so in a timely manner.

### Agility Gate

We will be using the Agility Gate app for gate stewarding. The app works with both Apple and Android devices and can be downloaded from the applicable app store. The access code for this trial is 1001. We do have WiFi for your use while at the trial. Please see Dan with any questions.

### Trial Site Rules

- POTTY AREA for humans will be indoors in the green (original) metal building. No dogs are allowed in the restrooms.
- POTTY AREA for the dogs is to the right side of the red metal building (where the fabric building used to be). Please do not let your dogs potty on or near the buildings, this includes the area between the buildings. There will be a \$10 fine assessed to anyone not using the designated potty area.
- Absolutely no competitors/dogs are allowed to the left side as you are coming up the long driveway.
- There is no exhibitor set up of any kind on Friday night.
- Orchard Hills is located on private property and is NOT open to the public outside of event hours. Waiting on the driveway or on Church Street prior to the facility opening is not allowed. The premises are closed 30 minutes after the last run or when the show committee leaves for the day and all competitors must exit by that time.
- Admission on the premises outside of stated hours is not permitted and is considered trespassing. If you need access to the property outside of stated hours due to extenuating circumstances, you will need to obtain permission of the show chairperson and/or the property owner. If you find yourself arriving early for the event, there is a Turkey Hill north on 100 and Redners and Dunkin Donuts south on 100.
- Dogs must remain on leash at all times except when competing in the ring or in the warm up area.
- No celebratory balloons are permitted on the premises. These have caused damage to the fans inside the buildings in the past.
