Vendor

Dr. Lauren Blackson is also planning to be at our trial on FRIDAY to offer 30 minute canine PT sessions. This is a great opportunity to have Lauren check out your dogs so they can feel their best while running on Janet's courses. As Lauren is not entered on a team, we do need a minimum number of pre-registrations for Lauren to make the trip. You can pre-register at [Dr. Lauren Appointment Booking -- April 29, 2022](#)

Social Distancing & COVID-19 Safety Measures

We highly recommend maintaining social distancing (of both you and your dog) from others to the extent possible. When social distancing is not possible, High Octane strongly encourages the wearing of masks for vaccinated competitors. Masks are required for unvaccinated competitors when indoors, except while running in the ring.

Helpers

We need all volunteers!! Please sign up with the our volunteer coordinator each day. Every little bit helps, so even setting bars for 5 dogs is greatly appreciated!

Food Services:

Sorry, there will be no food provided on site. Please plan accordingly.

Checking in

There will be two types of check-in and measuring: Full service and Express.

Each dog is a separate entry so just because one dog does not need to check-in/measure does not mean all of your dogs entered are eligible to do so.

Full service check-in is required if you did not provide a photocopy of a height card or printout from the USDAA site for each dog. Those who cannot present their permanent or completed temporary USDAA cards, or USDAA issued check-in letter, or whose dogs are NOT jumping the maximum height, will be required to measure-in;. Any who have not been measured or checked-in prior to running may forfeit their runs. Bring your dogs that need measuring AND their temporary height cards (the blue ones) to the measuring line BEFORE getting in the check-in line.

Also, if you are due a refund, or still owe us money, please use full service check-in. If you do owe us money, this must be paid at time of check-in or you will not be permitted to run.

Express check-in is required and available for those who provided photocopies of the plastic yellow or white height cards. You must check yourself in and verify your Registration number; if you missed verifying it in your confirmation, this will be your final chance to do so.

We will not be providing copies of running orders for each competitor. Running orders will be available by Wednesday evening for you to download and print at www.k9trialservices.com

We will not be providing printed copies of course maps for each competitor. Course maps will be available after 10pm each evening for the next days classes for you to download and print at <https://k9trialservices.com>.

BIS AND FIX & CONTINUE

We will be allowing Bitches in Season (BIS) and Fix & Continue at this trial in accordance with USDAA policies available at: http://usdaa.com/gen_formDoc.cfm under Official USDAA Policy Statements.

For BIS, we will allow WELL FITTING sanitary britches (no droopy drawers!!) or starting on a mat (please bring your own) BIS will run in their assigned order in the run order with a BIS marked beside their name. Please let the gate steward know for all BIS so that we can mark them appropriately. For Standard classes, all BIS will run at the end of the class and the table will be cleaned before the next class.

BIS must wear sanitary britches when they are on the event grounds at all times except when in the potty area or when, if the competitor decides to start on a mat, at the practice jump or when in the competition ring. BIS should be

kenned away from the other dogs to the extent possible. The handler should exercise good sportsmanship by minimizing the exposure of their BIS to other dogs and limiting their movements about the grounds. Please see the official policy statement for full explanation.

For Fix & Continue, the competitor will be allowed to immediately repeat any obstacle (other than a spread hurdle or long jump) if it is faulted or if the dog, in the competitor's sole discretion, did not meet their desired performance criteria, thereby incurring an elimination. The competitor may repeat one or more relevant preceding obstacles prior to the point of error if it is beneficial to their performance of the obstacle. A Fix and Continue may be employed only once during a run. Once an elimination has been scored, the maximum course time shall be retroactively established at 60 seconds. Please see the official policy statement for full explanation.

RV & Oversized Vehicle Parking

Overnight RV parking was limited and required to be reserved. All spots have been reserved, so please do not plan on any overnight parking if you have not already reserved your spot. Cindy and Vincent Madeiros will be assisting with parking of RVs. It is important to note that the ground may be wet and RV will be responsible for any fees that may be incurred if they get stuck - this includes but is not limited to towing and repair of ground.

MoveUps

Day to day move ups are offered at this trial.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited, and the entry will be deemed invalid without refund or other recourse.

Move ups will NOT be accepted on Saturday for Saturday classes or on Sunday for Sunday classes and you may not withdraw from a class, add a class or change the program in which a dog is competing due to a move up.

Move up forms will be available in a binder at the ribbon table and must be filled out within 30 minutes of the completion of the last class on Saturday.
