COVID-19 Waiver, Procedures & Wristbands

Mask wearing is optional but encouraged as is social distancing. Keystone Agility Club reserves the right to modify our Covid Policies based on CDC guidelines.

Checking in

You do not need to check in unless you need to be measured. **All competitors in each class must check in at the gate** by checking off their name on the call sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

Measuring Dogs

All dogs jumping below the 22 inch Regular height, or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization (such as AKC/USDAA), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement

Running Order, Course Maps & Class Results

A preliminary running order will be posted online by Wednesday evening at <https://k9trialservices.com>. Please note, this is for information purposes only and may change without notice. Paper course copies will not be available on site. The course maps will be posted online each morning 3 hours prior to trial site opening (Master Series maps will be posted at site opening time). The website is <https://k9trialservices.com> (follow the link for the appropriate trial). We will not be printing results; we will be utilizing "real time results" for this trial. You will be able to access the results on <http://k9trialservices.com>.

Food Services

Sorry, there will be no food provided on site. Please plan accordingly.

Helpers

Keystone depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help.

Crating

Crating in your vehicle is highly encouraged as parking is close to the ring. Limited crating will be available in the building for this trial and will be on a first come first serve basis.

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

Changing Handlers

Competitors are required to inform the trial secretary of any handler change. Please do so in a timely manner.

Trial Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill North on 100 and a Render's and Dunkin Donuts South on 100.

Hotel Information & Directions

Hotel information and directions for this trial site can be found on <https://k9trialservices.com/orchardhills>

Not for Competition Runs

You may turn any run into a NFC run, but must declare this right before entering the ring. You may use a non audible toy (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.
