Payment

Please be sure to pay Flying Dogs Agility directly if you have not completed your payment for the trial. **DO NOT pay online.**

Classes Entered

When you completed your online entry, you received an email from webserver@ukagilityinternational.com with the subject line "Confirmation of entry for Flying Dogs Mar 2023 show". This email contains the information on classes entered.

Running Order

The running order is attached. This is only for the purpose of checking your entry. Running order for Masters Jumping will be determined by the results of Masters Agility. The final running order will be posted on Agility Gate.

Agility Gate

We will be utilizing Agility Gate for this trial. The app can be downloaded from your mobile devices' app store. Exhibitor code is 0304.

Changing Handlers

If changing handlers, please let me know so that the results are correct.

Checking In

While UKI does not require strict running order within your jump height, other than in Masters Series, Flying Dogs Agility will be running dogs in order according to the gate sheet since this is a small, one-ring trial.

Measuring Dogs

Measuring will take place near the check-in table prior to the first class each day. All dogs jumping below the 22 inch Regular height or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. **If you have an actual measurement from another organization (such as AKC/USDAA), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement**

Parking/Crating

You may work out of your cars or bring a shade tent. There is no crating indoors. All parking is first come first served. **DO NOT SAVE PARKING SPACES. PLEASE DO NOT ARRIVE EARLY.**

Music will be played during walkthroughs and lightly during running of classes.

No personal chairs in the building. Please maintain social distancing.

Food

There will not be a food vendor for lunch. Please bring your own.

Helpers

This is a one ring trial and helpers are not only appreciated, but are necessary to conduct a smooth running show. Please see us if you are able to help.

Course Maps and Real Time Results

We will not be providing Course Maps. Course maps will be posted each morning online.

Dan Burke has created Real Time Results so that competitors may check their scores on their phones Thank you Dan!

Course Maps and Real Time results will be available at <https://k9trialservices.com>

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points

Not for Competition Runs

You may turn any run into a NFC run, but **must declare this right before entering the ring.** You may use a **non audible toy** (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You **MUST** leave the ring immediately once time is up.

We will NOT be offering an NFC Food Reward Area.
