Helpers

High Octane depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help.

Checking in

You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. **All competitors in each class must check in at the gate** by checking off their name on the call sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

Measuring

Measuring will be done when the judge is available between 5p and 5:45p. It is the handlers responsibility to know if your dog needs to be measured in accordance with UKI Rules and Regulations. It is also the handlers responsibility to provide the judge/measuring assistant with all information required to have the dogs height properly recorded. This includes Handler Name, UKI Handler Number, Dog Name, UKI Dog Number and anticipated jump height. Please have this information available prior to having your dog measured.

Food Services

Sorry, there will be no food provided on site. Please plan accordingly.

Agility Gate

We will be utilizing Agility Gate for this trial. The app can be downloaded from your mobile devices' app store. Exhibitor code is 0215.
