Checking In

You will need to check in to receive your "Cup" gift.

Course Maps, Gate Sheets and Real Time Results

We will not be providing paper course maps. Course Maps and PDF Results are available at

www.k9trialservices.com

All course maps other than Masters Series will be available 3 hours prior to the site opening time. Wild at Heart Masters Series will be release at site opening time. Course maps are available at

<https://k9trialservices.com/FlyingHigh/KDAugust/>

In an attempt to cut down on areas of congestion, we will be utilizing the Agility Gate app, developed by Roger Ly. This app can be downloaded and used on both android and IOS devices. The app allows you to check in or scratch from your device. You can also check to see which dog is currently running. You can download the app from your appropriate app store.

IOS

<https://apps.apple.com/us/app/id1513789059>

Android

<https://play.google.com/store/apps/details?id=info.dogagility.AgilityGate>

You will need to use the competitor code 1973 to access the running order once you select the NE cup trial.

See Dan Burke on site with any questions

Groups & Schedule

Group assignments, running schedule and walkthrough schedule were previously emailed and are also available here: <https://k9trialservices.com/FlyingHigh/KDAugust/>

Scoring

Please note that any scoring discrepancies MUST be brought to the attention of Diann Gastley or Marianne Pieper within 30 minutes of the completion of any class.

Sponsors and Vendors

Running Orders

The running orders for the preliminary rounds were emailed and are available at www.k9trialservices.com. The first rounds of each event will be random, with adjustments made for handlers with multiple dogs. If you do not have a gap of 10 dogs in between multiple dogs, see Diann Gastley, Dan Burke, Mary Ellen Barry or Marianne Pieper to move one of your dogs. You may NOT move in the running order without the permission of one of those people. If we are not able to create a 10 dog gap, you will be given 6 minutes. The 6 minute countdown will start as the handler's first dog crosses the finish line; the handler must enter the ring with their second dog before the countdown is complete.

Final rounds will be run in reverse seed order. In the seeded classes, a handler must notify Diann or Marianne within 30 minutes of the results being posted of the previous class in that particular event if they wish to move their running order for the next round or be given a 6 minute break. Failure to do so will mean they will be moved.

Parking/Crating

There is limited crating in both buildings. Crating is first come first served. You may work out of your car and/or set up a shade tent.

PLEASE DO NOT ARRIVE prior to site opening times. Due to the size of the event and the need to fit everyone in the parking areas, there is NO self parking and you must be directed to a parking spot by one of our parking attendants.

Parking is in 2 areas; the first area is front of the red building; 2 rows will fit there. There is no parking in front of these 2 rows or in front of the sheep pens. You may also park to the side of the green building in the old outdoor ring.

RV parking was by reservation only. You have received a separate confirmation from Cindy Madeiros.

Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you

find yourself arriving early, there is a Turkey Hill and a Wawa North on 100 and a Redners and Dunkin Donuts South on 100

Music will be played during walkthroughs and lightly during running of classes.

Food

There will not be a food vendor for lunch. We will be providing workers hospitality.

Measuring Dogs

Measuring will take place near the main ring prior to the first class. All dogs jumping below the 22 inch Regular height or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization (such as AKC), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement

Helpers

Help from competitors is not only appreciated, but is necessary to conduct a smooth running show. Please see our ring managers Jacky Mento and Kathleen Schaefer if you are able to help.

Online Results

All clear round/ qualifying results will be available to view at www.ukagilityinternational.com within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining level points.

Maximum Course Time

All eliminations and NFC runs will be given a maximum course time of 60 seconds with the exception of Snooker and Gamblers. A single buzzer will sound at 50 seconds as a warning and 4 horns will sound at the 60 second mark, at which time you must leave the ring immediately. Gamblers you must leave the ring on the second horn, there is no reattempting the Gamble after this horn.

Directions

Orchard Hills Training Center

Street Address for GPS/Google Maps: 45 Bella Vista Lane Barto, PA

- from Allentown, Harrisburg, Central New Jersey:

78 east or west to Allentown exit, Cedar Crest Blvd. South to Emmaus past hospital, at "T" turn right (Chestnut Street or Rt. 29 S) continue south on Rt.29 to Rt.100 South, continue to Hereford - 4 more miles to Bally.
