Blast Off on Saturday, July 6th, for an out-of-this-world event as we launch our next mission to combat Canine Epilepsy! Teams (2 Dog & 2 Handlers/team) will soar through the cosmos, competing for glory across rounds of Agility, Jumping, and a pulse-pounding relay race featuring an ALL TUNNELS course!

How it works....

- Each team will consist of 2 handlers and 2 dogs. The dogs can be from any level, any jump height or any height division (regular/select).
- The team event will consist of 1 agility round, 1 jumping round and 1 relay round (tunnelers)
 - The agility round will be designed to the guidelines for the senior level
 - The jumping round will be designed to the guidelines for the senior level
 - The relay round will consist of a course of tunnels only and will be designed to meet UKI course and safety guidelines
- Clear rounds in either of the Agility or Jumping classes will count towards the dog's level progression. Clear rounds in the relay class will not count towards any level progression, but will be SUPER FUN!
- No byes or certificates towards any future UKI event may be earned from participation in the High Octane Space Race
- \$20.00 for each team's entry fees will be donated to Canine Epilepsy Research

How does scoring work....

- Team scoring for the agility and jumping classes (scores from Agility 2 and Jumping 2 will not be used for team)
 - Each team begins with 200 points for each class
 - Dogs are scored on a time + faults basis
 - Eliminations will be scored as 50 faults
 - Each dog's score will be added together then subtracted from 200 points to form the team's score
- Relay
 - Each team starts with 300 points
 - First dog will run their part of the relay, while the handler is carrying a baton.
 - When the first dog crosses the finish line, handlers will exchange the baton in the designated area.
 - Second dog will run their part of the relay while the handler is carrying a baton.
 - Eliminations will be scored at 100 faults.
 - Team score will be 300 minus (time + faults).
- Overall Scoring
 - Scores from all 3 rounds will be added together
 - The team with highest score will be awarded 1st place

Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.
