COVID-19 Procedures

Mask wearing is optional but encouraged as is social distancing. Keystone Agility Club reserves the right to modify our Covid Policies based on CDC guidelines.

Checking in

You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. All competitors in each class must check in with the gate by using the Agility Gate App. The Exhibitor code is **1031**. If you do not check in, the class will not wait for you. Please remember it is your responsibility to be ready at the ring for your run.

Measuring Dogs

Please ensure you understand the new criteria regarding dogs being measured. UKI Rule Book edition 10

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed, and you may not continue to challenge a measure when you have challenged it once.

Running Order & Course Maps

A preliminary running order will be sent out via email by Tuesday, 10/29/2024. Please note, this is for informational purposes only and may change without notice. Paper course copies will not be available on site. The course maps will be posted online 3 hours prior to trial site opening (Master Series maps will be posted at site opening time). The website is <https://k9trialservices.com> (follow the link for the appropriate trial).

Class Results

Class results will be printed & available after a class is scored on the self-serve ribbon table.

Food Services

Sorry, there will be no food provided on site (other than Halloween Candy!) Please plan accordingly.

Helpers

Keystone depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help!

Crating

Limited crating will be available in the building for this trial and will be on a first come first serve basis.

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

Changing Handlers

Competitors are required to inform the trial secretary of any handler change. Please do so in a timely manner.

Trial Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill & a Wawa North on 100 and a Rende's and Dunkin Donuts South on 100.

Hotel Information & Directions

Hotel information and directions for this trial site can be found on <https://k9trialservices.com/orchardhills>

Not for Competition Runs

You may turn any run into an NFC run but must declare this right before entering the ring. You may use a non-audible toy (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.

Tentative Event Schedule & Classes

THURSDAY – Small to Tall
Speedstakes - Open
Masters Jumping – All Levels
Masters Agility – All Levels

***Explanation of Open Speedstakes** - We will be running Speedstakes in the "open" format for this trial. We will be designing for the Senior level, but all levels will run the same course. Once the course is built, we will have one walk-through, then run all competitors by height.
