Change of Schedule

Please see the schedule below under "Event schedule and Classes". Beginner/Novice jumping will run first, followed by Senior/Champ. This is different than published in the premium and is done so for nesting purposes.

Payment

If you still owe payment, you may no longer pay online. UKI has cleared all competitor balances for this trial and you now owe KineticDog directly. You have been contacted by Mary Ellen regarding your payment.

Classes Entered

When you completed your online entry, you received an email from webservice@ukagilityinternational.com with the subject line "Confirmation of entry for Kinetic Dog July 2024 show". This email contains the information on classes entered.

Mask Protocol

Masks are optional at all times.

Changing Handlers

If changing handlers, please inform Kathleen Schaefer.

Measuring Dogs

Measuring will take place near the check-in table prior to the first class. All dogs jumping below the 22 inch Regular height or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization (such as AKC/USDAA), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement

Parking/Crating

Crating is in the green building only. All parking is first come first served. Parking is in 2 areas; the first area is front of the red building 3 rows will fit here. There is no parking in front of these 3 rows or in front of the sheep pens. You may also park to the side of the green building in the old outdoor ring.

Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill and Wawa North on 100 and a Redner's and Dunkin Donuts South on 100.

Music will be played during walkthroughs and lightly during running of classes.

Helpers

This is a one ring trial and helpers are not only appreciated but are necessary to conduct a smooth running show. Please see us if you are able to help. We will have snacks and water available.

Course Maps, Gate Sheets and Real Time Results

We will not be providing paper course maps. Course Maps, Running Orders and Real Time Results are available at www.k9trialservices.com

All course maps other than Masters Series will be available 3 hours prior to the site opening time.

In an attempt to cut down on areas of congestion, we will be utilizing the Agility Gate app, developed by Roger Ly. This app can be downloaded and used on both android and IOS devices. The app allows you to check in or scratch from your device. You can also check to see which dog is currently running. You can download the app from your appropriate app store.

IOS - <https://apps.apple.com/us/app/id1513789059>

Android - <https://play.google.com/store/apps/details?id=info.dogagility.AgilityGate>

You will need to use the competitor code 1973 to access the running order once you select the KineticDog Trial

Online Results

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points

Not for Competition Runs

You may turn any run into an NFC run, but must declare this right before entering the ring. You may use a non audible toy (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the maximum time of 60 seconds to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.

We will NOT be offering an NFC Food Reward Area.
