We will not be providing paper course maps. Course Maps and Running Orders are available at www.k9trialservices.com

All course maps other than Masters Series will be available 3 hours prior to the site opening time.

In an attempt to cut down on areas of congestion, we will be utilizing the Agility Gate app, developed by Roger Ly. This app can be downloaded and used on both android and IOS

devices. The app allows you to check in or scratch from your device. You can also check to see which dog is currently running. You can download the app from your appropriate app store.

All clear round/ qualifying results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points

Not for Competition Runs

You may turn any run into an NFC run, but must declare this right before entering the ring. You may use a non audible toy (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the maximum time of 60 seconds to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You **MUST** leave the ring immediately once time is up.
