If the dog is not wearing BIS pants, they will start on a mat provided by the show. It is the handler's responsibility to ensure the mat is available for their runs. The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and the potential risks with slips from starting from a mat.

All 4 Cup events: Agility Biathlon, Games Challenge, Masters Heat and Speedstakes Challenge must be entered; running all classes for competition to be eligible for the Cup's Overall Winner result.

The tabulation for the Overall Cup will be based upon the number of dogs entered within each jump height in each event. The winner of the event (i.e. Speedstakes Challenge) will receive the highest points which is equal to the total number entered in that jump height. Example: If 12 dogs are entered in the 22 inch height in the Speedstakes Challenge then the winner will receive 12 points, 2nd place 11, 3rd place 10 and so on. All dogs entered will receive the points based upon their ranking, even if they are not eligible for the Overall awards

- Only one handler may compete with the dog throughout the entire event to be eligible for the Cup's Overall Winner tabulation.
- A no-show or NFC in either class will result in disqualification from that competition, including awards and entry into the Cup's Overall Winner result.
- Double Eliminations for each competition will not be placed in that event and will score 0 for the Cup's Overall Winner tabulation.
- If a dog obtains a double elimination in TWO events, they are no longer eligible for the Cup's Overall tabulation.
- In the event of a tie for the Cups Overall Winner, the Masters Series Heat placement will be the deciding factor and if necessary, followed by the Agility Biathlon, then Games Challenge.
- Should a dog win the Cup's Overall Result but had previously obtained this result at another Cup, the result will not move down to the next placing dog.

### **Wild At Heart Masters Series Heat – SEE PAGE 6 BELOW**

#### **Managing Conflicts for Handlers with Multiple Dogs**

In the initial classes of each event a random draw will produce the running order. Handlers with more than one dog will have their running orders altered to achieve the following:

- A gap of 10 dogs (9 dogs between their runs) will be created by moving the first-drawn dog earlier in the running order. If this does not achieve a 10-dog gap then the second-drawn dog will be moved down in the running order.
- If there are not enough dogs in the class to achieve the 10-dog gap the biggest gap possible will be created. If this gap does not achieve the minimum 10 dog gap, then a break of 6 minutes will be given. The 6-minute countdown will start as the handler's first dog crosses the finish line; the handler must enter the ring with their second dog before the countdown is complete.
- Handlers with more than 2 dogs will have their dogs split using the 10-dog gap rule. If there are not enough dogs to achieve this, the dogs will be split evenly through the running order and the 6-minute rule will be adhered to. If a handler has dogs in different height divisions, and the 10 dog gap cannot be achieved, the 6 minutes will run through while the jump heights are being changed.

**In seeded classes:** A handler must notify the results office within 30 minutes of the results being posted of the previous class in that particular event if they wish to move their running order for the next round or given the 6 minute break. Failure to do so will mean they will be moved.

## Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

### General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

### Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

**Final Qualification:** 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

### Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.
