Tournament Definitions & Scoring Procedures

The “Cryptid Quartet” Tournament: The “cryptid quartet” tournament is a 4-round event for competitors entered in the Senior/Champ level of the 4 classes (Agility, Jumping, Snooker, Gamblers) on Saturday. To be eligible for tournament inclusion, competitors must be entered in all 4 classes at the S/C levels. Each class in the tournament is scored pursuant to Senior/Champ rules. Agility and Jumping will be scored on a time plus faults basis and will be subtracted from the standard point value for the class as per the table below. Gamblers and snooker will be scored on a point basis with each score multiplied by a weighting number to balance the points earned in each class. The sum of all points will be combined to determine the overall score. Top 3 placements in each height (regular and select will be scored together) will be awarded. An elimination will be assessed faults equal to 60% of the standard point value for the class. A “not for competition” run will be assessed faults equal to 75% of the standard point value for the class and a “no show” will be assessed faults equal to 100% of the standard point for the class.

Banshee Speedstakes Challenge: This tournament is open to competitors that enter both rounds of speedstakes on Sunday at either the Senior or Champion level. A clear round in either of the speedstakes class will be awarded level points towards title progression. The scoring for the “Banshee” Speedstakes Challenge podium will be scored on a time plus faults basis. A score of elimination will be scored as SCT+60 faults and a score of NFC will be scored at SCT+75 faults. Senior and Champion will be scored together. All select heights will be scored with their regular jump height. Scores from the two rounds will be combined with podium finishes for the top 3 overall placements in each jump height.

Wozzlebug Speedstakes Challenge: This tournament is open to competitors that enter both rounds of speedstakes on Sunday at either the Beginner or Novice level. A clear round in either of the speedstakes class will be awarded level points towards title progression. The scoring for the “Wozzlebug” Speedstakes Challenge podium will be scored on a time plus faults basis. A score of elimination will be scored as SCT+60 faults and a score of NFC will be scored at SCT+75 faults. Beginner and Novice will be scored together. All select heights will be scored with their regular jump height. Scores from the two rounds will be combined with podium finishes for the top 3 overall placements in each jump height.

The Jersey Devil Finals: This tournament is open to competitors in both the S/C and B/N levels. To be eligible to be scored for the Finals, competitors must be entered in both Agility and Jumping (at their applicable level). The agility and jumping classes will be judged pursuant to UKI judging policies for the applicable levels. Tournament scoring for the agility and jumping classes will be scored on a time plus faults basis and will be subtracted from the standard point value for the class as per the table below. An elimination will be scored as SCT+60. “NFC” will be scored as SCT+75 faults. The top 3 placements per jump height (regular and select combined) from the Senior/Champ level and the top 3 placements per jump height (regular and select combined) from the Beginner/Novice level will gain entry into the Jersey Devil Open Speedstakes Finals at no cost to the competitor. The finals will consist of an open level Speedstakes course that will be judged and scored pursuant to Senior rules. Top 3 placements for each height (regular and select scored together) will be awarded. The Jersey Devil Open Speedstakes Finals is a “for fun” run and therefore no qualifying scores can be earned by competitors’ participation.

Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).

B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).

Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.
