COVID-19 Procedures
Mask wearing is optional but social distancing is encouraged. Keystone Agility Club reserves the right to modify our Covid Policies based on CDC guidelines.

Checking in
You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. All competitors in each class must check in with the gate by using the Agility Gate App. The Exhibitor code is ***1029.*** If you do not check in, the class will not wait for you. Please remember it is your responsibility to be ready at the ring for your run.

Measuring Dogs
Please ensure you understand the new criteria regarding dogs being measured. UKI 11th Edition Rule Book.pdf
If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed and you may not continue to challenge a measure when you have challenged it once.

Running Order & Course Maps
A preliminary running order will be posted online by Tuesday afternoon at https://k9trialservices.com. Please note, this is for informational purposes only and may change without notice. The official run order will be in Agility Gate the day of the show. Paper course copies will not be available on site. The course maps will be posted online 3 hours prior to trial site opening (Master Series maps will be posted at site opening time). The website is https://k9trialservices.com (follow the link for the appropriate trial).

Class Results & Ribbons
Class results will be posted to the trial page at https://k9trialservices.com after a class is scored. Placement ribbons are self-serve but if your dog achieves a title, please see Jacky or Kathleen to get that ribbon.

Food Services
Sorry, there will be no food provided on site, other than worker's hospitality and candy! Please feel free to contribute to our candy pile if you wish. Please plan accordingly.

Helpers
Keystone depends on volunteers to make this a great trial. There will be a sign-up board on site for you to select the jobs/classes you wish to work. We thank you in advance for your help!

Crating
Crating in your vehicle is highly encouraged as parking is close to the ring. Limited crating will be available in the building for this trial and will be on a first come first serve basis.

Results Posted on UKI
All clear round/ qualifying results will be available to view on your UKI account within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

Changing Handlers
Competitors are required to inform the trial secretary of any handler change. Please do so in a timely manner.

You may use this time for any type of training, if you are not abusive to your dog. The handler may use the SCT to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.
