Start and Finish jump must be jumped in the direction of the arrows. They are both live at all times

Opening

#7 combo must be done in sequence as either the dark circles or light squares or game over

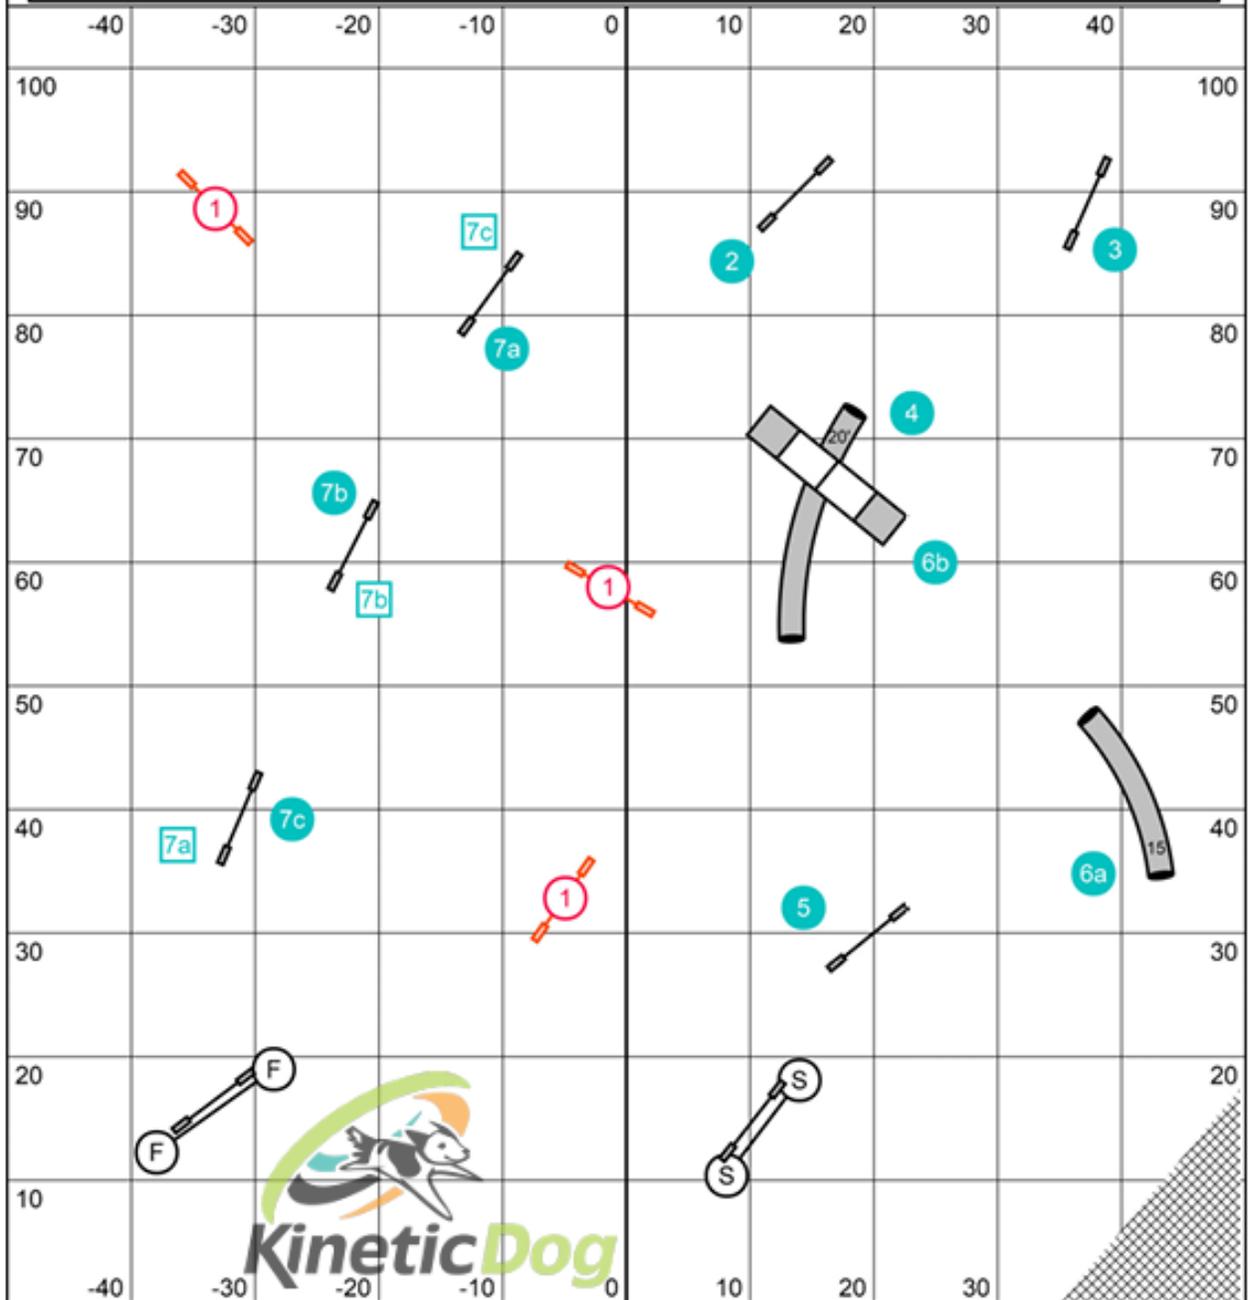

#6 combo must be 6a to 6b or game over

#2 through #5 bidirectional

Closing

#2 bidirectional - no refusals unless dog engages with the jump, i.e., goes under the bar or jumps the wing

#7 must be taken as dark circles
