If you do not check in, the class will not wait for you. Please remember it is your responsibility to be ready at the ring for your run.

### **Running Order & Course Maps**

A preliminary running order will be posted online by Thursday evening at <https://k9trialservices.com>. Please note, this is for informational purposes only and the final run order will be posted on Agility Gate. Paper course copies will not be available on site. The titling course maps will be posted online each morning 3 hours prior to trial site and Master Series maps will post when the doors open. The website is <https://k9trialservices.com> (follow the link for the appropriate trial).

**Measuring Dogs** Please ensure you understand the new criteria regarding dogs being measured. [UKI 11th Edition Rule Book.pdf](#). If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a

newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed and you may not continue to challenge a measure when you have challenged it once.
