Facebook

We have a Facebook page specifically for the UKI Northeast Cup. Join here -
<https://www.facebook.com/profile.php?id=100095594706826>

It is really important for you to join this group as there is a lot of information that has been and will continue to be published here throughout the event.

General Briefing

The general briefing will be published ahead of time by Wednesday at 12noon

Please read and familiarize yourself with that information

Checking In

Check in is 11:30-12:25 on Thursday

Please check in to receive a small gift.

If you owe money for RV or crating, you must pay during check in. Cash is preferred but we will accept checks.

Course Maps, Gate Sheets and Results

We will not be providing paper course maps. Group listings, schedules, running orders, trial documents, course maps and PDF Results will all be available at <https://k9trialservices.com/KDAugust/> and <https://mydogentry.com/public/trials/1427>

All course maps other than Masters Series will be available 3 hours prior to the site opening time. Wild at Heart Masters Series will be release at site opening time. Course maps are available at the above links.

There will be monitors in the main building to check your scores after you run. These are NOT touch screen monitors, so please do not touch the screens or computer.

We will be utilizing the Agility Gate app, developed by Roger Ly. This app can be downloaded and used on both android and IOS devices. The app allows you to check in or scratch from your device. You can also check to see which dog is currently running. You can download the app from your appropriate app store.

IOS

<https://apps.apple.com/us/app/id1513789059>

Android

<https://play.google.com/store/apps/details?id=info.dogagility.AgilityGate>

You will need to use the competitor code 1973 to access the running order once you select the NE cup trial.

See Dan Burke on site with any questions

Scoring

Preliminary class results will be posted online at <https://k9trialservices.com/KDAugust> shortly after the completion of each class. Please note that any scoring discrepancies MUST be brought to the attention of Dan Burke within 30 minutes of the completion of any class.

Running Orders

The running orders for the preliminary rounds will be posted by Wednesday afternoon at

<https://k9trialservices.com/KDAugust/> and <https://mydogentry.com/public/trials/1427>

The first rounds of each event will be random, with adjustments made for handlers with multiple dogs. If you do not have a gap of 10 dogs in between multiple dogs, see Dan Burke, Mary Ellen Barry or Marina Brannon to move one of your dogs. You may NOT move in the running order without the permission of one of those people. If we are not able to create a 10 dog gap, you will be given 6 minutes. The 6 minute countdown will start as the handler's first dog crosses the finish line; the handler must enter the ring with their second dog before the countdown is complete. If you need a timer, it is your responsibility to let the gate know before you run your FIRST dog that you will need a timer.

Final rounds will be run in reverse seed order. In the seeded classes, a multiple dog handler must notify Dan or Marina within 30 minutes of the results being posted of the previous class in that particular event if they wish to move their running order for the next round or be given a 6 minute break. Failure to do so will mean they will be moved.

Parking/Crating

PLEASE DO NOT ARRIVE prior to site opening times. Due to the size of the event and the need to fit everyone in the parking areas, there is NO self parking and you must be directed to a parking spot by one of our parking attendants.

RV parking was by reservation only. You have received a separate confirmation from Cindy Madeiros.

Crating was by pre-registration only. There are some spaces available in the red building. Cost is \$5 for the event. Email Mary Ellen at mebarry @ kineticdog.com (remove the spaces)

If you plan on setting up a shade tent, please email Mary Ellen ahead of time.

Site Information

Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church Street is not allowed. If you find yourself arriving early, there is a Turkey Hill and a Wawa North on 100 and a Redners and Dunkin Donuts South on 100

Music will be played during walkthroughs and lightly during running of classes.

Food

Joann Johnson, mother of junior handler Megan Johnson, will be providing food

Measuring Dogs

Measuring will take place near the main ring prior to the first class. All dogs jumping below the 22 inch Regular height or the 20 inch Select height must have a UKI measurement, if you have not yet had one. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization (such as AKC), and wish to use this measurement, please bring your card to the measurer for documentation. The card will need to state the dog's exact height or we are unable to use that to verify your measurement

Helpers

Help from competitors is not only appreciated but is necessary to conduct a smooth-running show. Please see our ring manager Kathleen Schaefer if you are able to help.

Online Results

All clear round/ qualifying results will be available to view at www.ukagilityinternational.com within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining level points.

Maximum Course Time

All eliminations, Repeat & Move On and NFC runs will be given a maximum course time of 60 seconds with the exception of Snooker and Gamblers. A single buzzer will sound at 50 seconds as a warning and 4 horns will sound at the 60 second mark, at which time you must leave the ring immediately. Gamblers you must leave the ring on the second horn, there is no reattempting the Gamble after this horn.
