

KineticDog UKI Trial / General Briefing / July 3, 2026

We are publishing this prior to the trial in order to save time in the morning and to make sure that everyone sees this information, even if they are not on site for the first class of the day. This document is meant to supplement the information published in the final confirmation, so please read that as well.

- Rule #1 - Be nice to your dogs and to each other
- Thank you to our dedicated Show Committee:
 - Kathleen Schaefer- Trial Secretary
 - Alaina Axford – Judge’s hospitality
 - Judy Reilly – Chief course builder
 - Jacky Mento – Worker coordinator
- Thank you to our judge – the ever popular Mike Murphy!
- There is NO speeding in the driveway – 10 mph. Also, police are known to issue speeding tickets on Church Street
- This is private property and we MUST stay within the area of the dog training center:
 - Do not go across the driveway to the left
 - Do not go beyond the fast cat track (loosely marked with stakes) behind the green building
 - Do NOT go on the Fast Cat or drive on the Fast Cat track
 - Do not go towards the front of the property past the sheep pen
 - The sheep pen is available for off leash dogs
- Do not allow your dogs to potty anywhere near the buildings, on anything manmade, or on anything a human has to touch
- We will have a workers raffle which is CASH!

- We will have workers hospitality
- Ribbons for individual classes are self serve
- For title ribbons, see Mary Ellen, Jacky, or Kathleen and we will put the tabs in to customize your title
- There will be a sheet to list new titles and any other milestone such as 1st time qualifying, etc. This will be at the ribbon table.
- There is a monitor near the score table to check your scores while the class is running. Within 5 minutes of the completion of the class, scores will be available at www.k9trialservices.com
- Please only ask Kathleen scoring questions when she is at the computer. When she is getting ready to run her dogs, please let her enjoy her time with them.
- We will be using Agility Gate (see General confirmation). There will be no paper gate sheets.
- NFC and Repeat and Move on are allowed
- All Eliminations, RMO and NFC will receive maximum course time of 60 seconds
- We request that you go in the ring when directed by the judge and gate steward. We will have a white board near the ring that gives the obstacle number to enter the ring
- We all love agility and love to compete at these types of events. We really need your help volunteering in order to make it through this event. Huge thank you to anyone that is able to help!
 - Any assistance is appreciated even if only for a few dogs
 - We have snacks, water and CASH prizes for you!
 - Please see Jacky with any questions or to volunteer
- If you are volunteering for ring crew (THANK YOU) – we will be leaving the 4” cups in the jumps all day. There will be a second set of cups for height changes
- If you are volunteering for course building (THANK YOU) – we do not bag the tunnels or put the bags up against the tunnels until the course has been tweaked. Basically, we only move the tunnel bags once (worker smarter not harder!). Putting the bags up against the tunnels before tweaking means they will need to be moved out of the way to adjust the tunnels
