### **Not for Competition Runs**

You may turn any run into an NFC run but you must declare this right before entering the ring. You may use a non audible toy (NO clickers). You may use this time for any type of training, as long as you are not abusive to your dog. The handler may use the maximum time of 60 seconds to train any piece of equipment multiple times. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. You MUST leave the ring immediately once time is up.
